

Learning Center Training Plan: LEADERSHIP

No matter where you are in your leadership journey, the CACFP Leadership Institute is here to support your growth. Designed specifically for the CACFP community, our curriculum empowers you to strengthen your skills and lead with confidence. You can find all of these webinars at cacfp.org/learning-center, or click directly on the title for easy navigation.

“The CACFP leadership trainings have given me the knowledge and confidence to lead my program more effectively. I feel more connected, supported and prepared than ever before.”

Best Practices: Working with Your Board

Learn how to effectively work with your Board of Directors. You will discover best practices for creating effective communication, running productive meetings and leading collaborative decision-making. Share your challenges and get your questions answered. ~ 1 hour, Specialty 6

Recruitment Outreach: Enrolling Providers, Engaging Families

Looking to promote the CACFP to new providers and centers who aren't on the food program? Trying to figure out how to let parents know how your participation in CACFP means their children are getting a healthy start in life? Learn why it's important to add regular outreach activities to your to-do list and what steps you can take to improve your recruitment efforts. ~ 0.5 hour, Specialty 6

Marketing Your Business: Marketing Yourself

By positioning yourself as a subject matter expert in your field, you are also elevating your organization, which can give you the advantage when growing your program. Learn how to start your journey with easy steps you can implement immediately or find out how to take the next step to marketing yourself. ~ 0.5 hour, Specialty 6

Communicating With Impact

Your brain processes nearly 80 GB of data in a single day. That's about as much as watching 16 movies in a row! It's no wonder we often feel overwhelmed by the idea of having to hold difficult conversations with our coworkers. Learn about a series of tools that can help you improve your communication and feedback competency, equipping you with a means for having more impactful conversations. ~ 1 hour, Specialty 6

Finding the Leader in You

Are you ready to become a successful leader? Explore key concepts and strategies to develop leadership skills and qualities within yourself. Identify and recognize your personal leadership strengths and areas for growth to unlock your full potential. ~ 1 hour, Specialty 6
