

Join the National CACFP Association

The **National CACFP Association** is the leading national organization for those who administer, operate or support the USDA **Child and Adult Care Food Program (CACFP)**.

By joining as a member, you support our mission to provide education, information on advocacy issues, and resources to support the essential work of the CACFP community who ensures that every child and adult has access to nutritious food year-round.

Who Are NCA Members?

Membership is open to anyone who would like to support our mission. This includes professionals working as family home child care providers, child care centers and afterschool program staff or those at Tribal Nations, State Agencies, anti-hunger organizations, Head Start, emergency shelters, schools, food banks, associations, universities, Research and Referral agencies, commercial and sponsoring organizations.
