T is for Teacher

For each child, print out a paper with a block letter of their first initial. Let them finger paint as they please and hang to dry. Then, cut out the block letter and post the kids' original art for use as circle time letter recognition.

GROW

Recess

Climbing the jungle gym is a classic recess option. Don't have one? Use your imagination and have kids imagine they are jungle animals. Have them move around and make sounds to mimic the jungle animals you call out.

Taste Buds

When preschoolers develop a taste for a variety of foods, it's easier to plan meals. Try serving foods prepared in many different ways. Keep in mind that it may take a dozen tries for a child to accept a new food.

CACFP is an indicator of quality child care.
